SKILLS

- **Programming Languages:** C/C++, Java, R, Javascript
- **Frontend Frameworks:** HTML, CSS, React.js, React Native
- **Backend:** Node.js, Express.js
- **Databases:** MongoDB
- **Tools/Platforms:** Git, GitHub, Postman, MongoDB Compass
- **Soft Skills:** Problem-Solving Skills, Team Player

EXPERIENCE

Software Developer (Full-Time)

06/2026 – present

Innoknowvex

- Developed **full-stack applications** using Node.js, Express.js, React.js, and React Native.
- Built and enhanced internal **LMS** and **Certificate Verification page**.
- Designed and integrated **RESTful APIs** with responsive frontend components.
- Optimized application performance, fixed bugs, and managed code using **Git**.

Web development Intern

12/2025 – 05/2026

Innoknowvex

- Assisted in developing full-stack applications using Node.js, Express.js, React.js, and React Native.
- Contributed to **LMS** and **Attendance Management System** development.
- Implemented frontend features and integrated backend APIs.
- Tested, debugged, and maintained application functionality.

PROJECTS

Restaurant Food Ordering:

React.js, Bootstrap, HTML, CSS, JavaScript

- Developed a **React.js** web application for **food ordering, table selection**, and order management, serving **5+ users**.
- Implemented an interactive **cart system** with add, update, remove, and **automatic payment calculation** features for 100+ menu items.
- Built **responsive UI components** using React.js and Bootstrap, improving user experience and application usability.

Attendance Management System | Innoknowvex

React.js, Node.js, Express.js, MongoDB, REST APIs

- Developed a full-stack **attendance management system** as part of the Software Developer role at Innoknowvex.
- Built responsive **React.js** interfaces for managing students, attendance records, and administrative operations.
- Developed and integrated **RESTful APIs** using Node.js and **Express.js** with **MongoDB** for efficient data management.
- Implemented **authentication**, attendance tracking, **administrative features**, and supported the deployment of the application.

CERTIFICATES

- Excel Skills for Data Analytics and Visualization— Coursera 01/2024 – 02/2024
- Android Development — My Captain 05/2024 – 06/2024
- R Programming— Coursera 01/2024 – 02/2024

EDUCATION

B.Tech — Computer Science and Engineering

- *Lovely Professional University | CGPA: 8.32 | Aug 2023 – May 2026*

Diploma — Computer Engineering

- *Sri Jyothi Polytechnic College | 94% | Jun 2020 – Mar 2023*

Matriculation

- *Sri Chaitanya High School | CGPA: 10.00 | Jun 2019 – Mar 2020*
